

CLLCLIQCAM C08-205

Cliqcam for laptop or desktop use

Simply install the software, plug in the Conceptronic Lounge 'n LOOK Cliqcam and you are ready to communicate and share precious moments with anyone through the Internet! The Cliqcam is easy-to-use and equipped with a button for taking snapshots to share them with your friends and family. The design of the camera stand enables you to place the webcam as well on your desk as to use it as a clamp to attach the webcam to a LCD screen and notebook. Thanks to the rotatable ball joint of the webcam, you can easily adjust the capture angle.

Highlights

- Compatible with all messenger & chat applications
- Including Snapshot button for photos & photo frame software
